## GLENLOWIE BOWLING CLUB

JUNE 2022 - FASHION EDITION

### **Club Apparel:**

You may have seen (and tried on) the fantastic-looking new club uniforms on display in the clubrooms. A big thanks to David who has spent a lot of time sorting the design (in consultation with the Exec) and making this happen. The flash new threads are primarily aimed at the following:

1. Current members who would like to upgrade their old club gear.
2. New members who want to participate in official club play where a uniform is required, or those who just fancy some nice kit.

### **Ordering**

We're pleased confirm that club uniforms are displayed and available to order at this link:

<https://dynastyteamstore.co.nz/collections/glendowie-bowling-club> (which can also be found on the GBC website under Bowling Program/Club Apparel).

If you need a little help with the online ordering process, just let someone at the club know (or reply to this email) and help will be available!

### **Timer**

When you follow the link, you will notice a countdown timer on the ordering page. The apparel company will place any existing orders when that timer goes to zero (at the time of writing, about 11 days away). This is to try and ensure orders will be shipped in time for the start of the season, though please note, global shipping is unpredictable in the current climate.

If you miss the cut-off point fear not, there will be another round of ordering later in July and a notification email will be sent to all members. (We cannot guarantee those orders will arrive in time for the start of the season)

### **Sizing:**

To help with sizing choices, we have now have much larger range of samples to try on at the club - including a large range of ladies Polo shirts (size 12 is unavailable but can try a 10 or 14 to see if 12 would be the one), large range of men's polos, Jackets from M to 3XL and a large range of shorts.

Please note that many of the sample jackets are a different style and the sample shirts are branded with another club - they are all there just to give sizing guides before you order online.

(There are still some samples with GBC styling though).

You will find the gear laid out on the two tables by the staircase. Before ordering, it might be prudent to try on some combos and see what sizes work best for you.

Most polos are in plastic bags. Feel free to remove and try on, and put back in bag afterwards (doesn't need to be folded perfectly) so that the next person can easily find what they're after.

Also check out the size charts that you can open on the webpage when ordering.

### **Shorts:**

PLEASE NOTE: When you order shorts, they will be the longer variety (ie closer to the knee). The shorts on display at the club are the shorter length. These were the only ones available for samples and are there just to indicate waist sizing. Again, when you order shorts, you will be ordering the longer versions.

There is only one pair of trackpants - just to show styling. Try the shorts to get the waist size for trackpants too.

## Open Triples

Next one is next week Thursday 7th July.

Get your entry to Mike to get yourself among the prizes.

021 0859 1112 / spike.hughes20@gmail.com

A reminder that the following Open Triples dates supersede all Handbook dates:

7 & 21 July, 4 & 18 August.

## Bowls3Five

Mark the date: The next one is Sunday afternoon 31 July - only a month out from the start of the new season! Bowls3Five will be regularly in the program for the 22/23 season, so here's another chance to come and see what all the fuss is about. The format will be tweaked slightly from the last time, in order to bring the overall playing down to a couple of hours (where it should be).

More details in next Snippets...

## AGM

The AGM was well attended and included (among other things) Executive Committee resignations & appointments, a Life Membership proposal, an impassioned speech, and some robust debate - the subject of which is currently before the Exec. Thanks to all who contributed to lunch and those who generously signed up on the volunteers lists for 22/23.

(If you weren't at the meeting, contact Rod if you're able to offer a bit of time to help out during the upcoming season, as we introduce new programming to grow the club).

## Roses

The "carpark" roses are to be removed in the next few weeks. Last chance to grab a spade and dig out whatever you'd like! (family and friends are welcome to join you!)

## Sponsorship

We are in the process of tying up all sponsorship for the 22/23 season.

For the current season though, there are still opportunities for Winter Triples sponsors. Please let us know if you know someone in business who might like to put their name to a winter tournament and with the opportunity to address the players during prize giving.

## Glendowie Bowls

My clothes were having a competition to decide which one is the coolest. It ended up being a tie.
