Have a Go Day

After a covid-produced absence last year, Have a Go Day returned to GBC with a vengeance - opening it's gates to members of the community who at times actually had to queue to get on the green! A very successful endeavour excellently run by Murray and a fantastic team of volunteers. Thanks to all involved! **See some great pics here** <https://glendowiebowls.org.nz/have-a-go-day-16th-oct-2022/>

Which brings us to the next (and final) **Have a Go Day - Sunday 30th October 1-4pm**. Please don't take anything for granted - tell everyone you know! And come with them. It's the perfect vehicle to introduce friends and family to the club. It's fun, friendly, and people come away happy they came (and hopefully will come back!). Imagine if we all asked just one person to come along...

Neighbourhood Bowls

It's another "Welcome back" after a covid absence, and should be a really exciting return complete with new sponsor - David Nightingale - Bayleys Real Estate!

Starts Monday 7th November - doors open from 5pm. Bowls, dinner, great company and prize or two - what's not to like there! \$20 public / \$10 Members or students.

Again, another silver-platter opportunity for members to bring someone along - it's just a great evening! And if you don't have someone you can bring, just come yourself - these evenings are for ALL members to enjoy! Preferably book your place (or team) in advance with Murray 021 0813 0110 mgrigor@xtra.co.nz. Full info here <https://glendowiebowls.org.nz/social-fun-bowls/>

Club Apparel

Doesn't it look great! The second shipment should also be arriving shortly and for those who have yet to order and want to...the online page is now open again! Huzzah!

Go to the apparel page on the GBC website here... glendowiebowls.org.nz/club-apparel/

And here's a message from our President addressing some of the concerns regarding club uniform:

I am pleased to inform you all that the website is now open once again so members can place new orders online. If you need some help, please give me a call. But please get in quick as we want to get the new order underway with Dynasty as soon as possible to avoid a long delay.

There are many members that have already ordered and now wearing them and I must admit, they look just great. Even members from other clubs are really impressed as well.

Odd problem: Sure there has been the odd problem like the skirts being too short and silly old me ordering 2XS polo shirts which for some reason didn't fit, but that's my fault!! A lesson to be learnt for everyone, so please make sure you check all the details relating to your order carefully before you send it.

Skirts: As far as the skirts are concerned or as Dynasty call them "skorts", they now don't appear on the order form so if anyone wants them, please give me a call. I will then pass your order on to Dynasty. I have been told that the ones that were ordered previously were too short and not suitable for bowls.

Samples: More samples will arrive shortly so I suggest that you try everything on before ordering. To give you an example as to why I believe it is important, my jacket was large, shorts were XL and the polo shirt should have been 2XL but unfortunately it was 2XS and therefore that size has now been removed from the order form. At least I hope it has?

Delay in delivery: there will be a delay of approximately 4 to 6 weeks from the time we send our new order to Dynasty.

Polo shirts: The club will order and keep a limited stock of these for members to purchase but only of the more popular sizes. The executive feels it will be good to have some stock available to sell to new members as soon as they join.

Pockets for Polo shirts: Personally I wasn't a great fan of a pocket and didn't want one. However, when John Amodeo kindly gave me one of his, I soon realized how good they were. They are hardly noticeable which is good and therefore we will stick to the one type to stop any confusion.

*If you want to discuss any of the above, please give me a call.
Peter*
